## Flat, target-oriented management structure

The Board of Directors held the strategic responsibility of the Feintool Group.  
The Feintool Group is managed by the CEO

## Clear, uniform management principles

### **Transparency:**

Management communicates its decisions as transparently as possible.

**Co-responsibility**

Employees are involved as actively as possible in the decision-making process.

**Feedback:**

Personal contact between management and employees is actively nurtured by an open exchange of praise and constructive criticism.
